The Phil Maloof Car Collection comprises nearly 80 preserved examples of Cadillacs, Packards, Lincolns, Rolls-Royces, Chevrolets, Fords, Duesenbergs, and other amazing memorabilia, spread across five custom garages on two acres of land near the famous Las Vegas Strip. Affectionately known as "Uncle Phil," he was one of many legendary figures in Las Vegas history, and reportedly bought and sold more than 100 vehicles at the famed Barrett-Jackson automobile auctions–where he was a close Jackson family friend for many decades.
